

HisTree's & More | Holiday Display Submission Form

The event will run from **Saturday, November 26th to Saturday, December 31st**. Displays will be available for viewing during normal business hours of Tu-Sat, 10a-3p and for a select number of extended hours on days there is an accompanying program. Your holiday display will need to be set up between **November 14-22** during normal FCHS hours, however we can accommodate times outside of normal hours if needed. Your display will need to be taken down between **January 3-6**. Most importantly, we hope you have fun and enjoy creating a holiday display to be shared and enjoyed by many.
